

## IPSC Australia Grading system

### Section 8

8.3 If you have failed to achieve your grade at IPSC sanctioned matches, during a period of 24 months, your Section Coordinator can initiate your downgrade.

The table below lists the divisions recognised for grading at IPSC Victoria matches for the past 24 months. Taking the scores from these matches, and including the results from the 2016 Victorian Handgun State Titles, all Victorian IPSC members who competed in at least one eligible grading match during that period will have their grades updated to reflect their highest grade achievement in this 24-month period.
